FLORA ENGINEERING

Since 1998

Founded about 18 years ago, based in Delhi (INDIA), Flora is a top manufacturer, Supplier & Importer for FEC's Arcade Games, Swings & Rides, Video Games, Adventure Activities and many more. Our experienced Staff and Designer have enabled us to be recognized as one of the premiere manufacturer of Amusement Games and Rides all over India. We have a wide range of attractive products for Indoor as well as for Outdoor.

NEW ATTRACTION

Since long Flora Engineering is manufacturing various products for amusement industry. We are always eager to give the best of innovation in our products. We believe in "Don't find customers for your products, find products for your customers" and we continuously do so. With great pleasure we feel proud to announce that we are India's first manufacturer of TORNADO POLE FAN (HVLS), A TORNADO POLE fan is a large fan that moves a High Volume of air at a Low Speed. A small Pole fan (dia 4500mm) with six blades covers minimum 6000 sq.ft. area.*

QUALITY IS NOT AN ACT, IT IS A HABIT

To establish a benchmark of excellence in quality, we have a dedicated team of professional i.e. engineers/technical/ personals, designers who understand the evolving needs of the today's market and put their best efforts to achieve quality. Using the best raw material to provide the maintenance free rides and games is our speciality. We assure total satisfaction with our result driven, high quality and Maintenance free rides and gaming Products. We go to extremes to understand each client's budget and specific needs, doing our best to become an integral component of client's gaming zone or Amusement business. We also support our clients to understand how they choose their products to achieve a good and handsome output.

INNOVATION

The right balance of continuity and innovation generates trust in FLORA ENGINEERING. We offer timely/ high-value solutions for today's amusement business, at the same time, we identify and shape the trends of tomorrow. We review and improve existing products to make better for the future. Driving innovation is our capacity for looking at things from new angles.

RELIABILITY

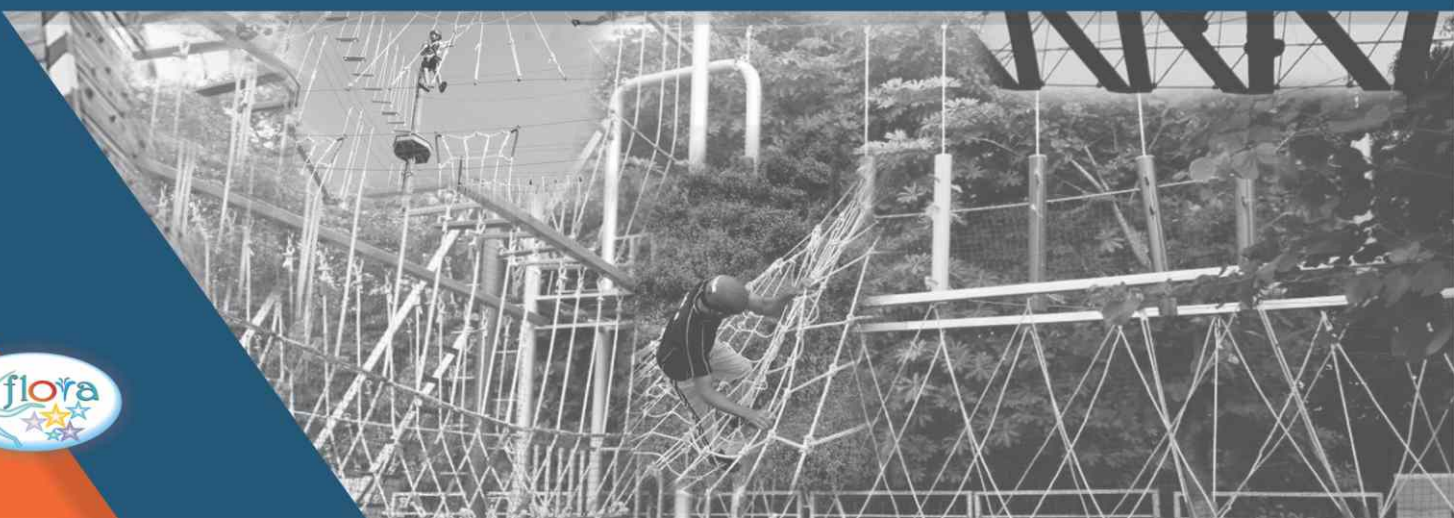

Quality, Innovation, closeness to customers-they are nothing without reliability, Reliability Encompasses the durability of our products and the reliability of FLORA people. The solid basis for reliability is robust and stable processes.

DESIGNING & CONSULTATION

Looking for designs with quality, safety and technology. A dedicated team of qualified professionals is at your service to provide customized design solution to suit every FEC,s and budget at zero cost to you.

FLORA CUSTOMER CARE SERVICE

In today's fast paced and technologically advanced era, most of the organizations succumb to the pressure of staying ahead in the competition and often, end up neglecting the most critical aspect of business i.e. customers. Flora, being a customer centric organization is very sensitive towards this tendency, hence, we constantly try to provide the best and quality driven products and services.
